MUCH INTEREST IN WHITE ROCK CONTEST

The seventeenth competition for the White Rock trophy cup which is to be played tomorrow promises to be one of the most interesting golf games of the season. It will be the first time that it has been played for on the new Country Club links and this fact alone insures an unusually large crowd of spectators. The entries closed yesterday and there are sixty members who have signed to play.

There will be two drawings, the first at 10 o'clock and the second at 2 p. m. In the sixteen contests which have heretofore been held, the cup has never been won twice by the same member, and as it must be won three times before it becomes anyone's permanent property, it bids fair to be up for some time yet. YACHT PLANS ORDERED.

Commodore H. E. Cooper of the Hawaiian Yacht Club today sent orders to the San Francisco representative of B. B. Crownshield, the famous designer, for the preliminary plans for a yacht to represent the islands in the trans-Pacific race next year. As it is necessary for the communication to go to Boston where the designing is done, it will probably be several weeks before they arrive. In the meantime the committee will be busy in deciding on how the money which the boat will cost, is to be raised.
